PUDDINGSTONE ON STAND

\$1,580

Shandong, China • Stone • Collection #YZ019

W: 9.0" D: 5.0" H: 13.5"

Scholars in ancient China decorated their studios or gardens with stones such as this beautiful puddingstone from Shandong Province. The practice of studying the stone's unique sculpted forms, marbled coloring, and natural veining was deeply meditative and helped to focus the mind. Similar to the inspirational stones ancient Chinese scholars kept in their studios, this stone is mounted on a custom steel stand for display.
