
PAGODA RED

RED LACQUER SQUARE CORNER COFFER

\$8,880

c. 1850 • Shanxi, China • Northern Elmwood • Collection #BJEE143

W: 88.75" D: 19.0" H: 34.0"

This grand coffer was constructed with traditional mortise and tenon joinery over a hundred years ago in the Shanxi region of China. With six doors and drawers it is larger than most coffer of its time and was likely used for significant storage in a provincial home. The elm wood has developed a pleasing patina beneath remnants of its original red lacquer.
