RED LACQUER TWO-DOOR CABINET

\$2,880

c. 1850 • China • Northern Elmwood, Lacquer • Collection #BJD103

W: 32.75" D: 17.0" H: 67.75"

Perfect in line and proportion, this cabinet celebrates minimalist design which was a gift from China to the world during the Ming period. The natural beauty and texture of wood comes through the surface of red lacquer, laboriously applied one layer at a time for up to thirty coats. A century of use brings inimitable crackled yet smooth texture to the lacquer, calling it to be touched.
