PAGODA RED

PAIR OF SHIZI OXBLOOD GINGER JARS

\$1,280

Zhejiang, China • Porcelain • Collection #BJEE098 H: 18.25" Dia: 13.75"

A rich, monochrome red glaze coats this ginger jar shaped contemporary vase, drawing attention to its updated profile and its sculptural fu dog top. Referred to as shizi, these mythical, canine-like lions are natural protectors. Sculptures of these fearsome animals have stood guard in front of imperial palaces, tombs, temples, and wealthy homes for centuries.
