SAMARGHAND CARPET

\$7,800

c. 1900 • Unknown, China • Wool • Collection #CRA0468

W: 111.0" D: 53.0"

This Persian carpet was woven over a century ago in Samarghand: one of the oldest cities in Central Asia and, for many centuries, a prosperous stop along the Silk Road. Persian rugs are world-renowned because of their fine wool, masterful combinations of colors, and distinctive patterns. This example has unusual geometric and floral motifs set against a rich rust-colored field.
