LOW SENUFO STOOL

\$980

c. 1900 • Ivory Coast • Wood • Collection #CAA0441

W: 16.75" D: 11.5" H: 7.5"

Hand-carved from a single, solid block of wood, each Senufo stool retains a unique personality as a modern sculpture, seat, or table. The irregular strokes and diminutive nature are telltale signs of this traditional woodcarving practice. The slightly lifted seat combines with the solid, ovoid legs to create dynamic change and modern proportions from foot to tip of this soulful object.
