SMALL PORCELAIN POMEGRANATE BUD VASE

\$38

China • Porcelain • Collection #RT009S

H: 3.5" Dia: 3.0"

Pomegranates, with their many seeds, are traditional symbols of fertility, offspring, and a wish for many descendants. These sculptural pomegranates make a statement as individual vases filled with blossoms or grouped to fill decorative bowls. Each finely crafted porcelain bud vase is finished with a soft, chalk-like texture. Sizes vary slightly.
