## CHICKEN TROUGH

**\$480**

c. 1850 • Northern China, China • Stone • Collection #W075B

W: 17.25" D: 8.5" H: 5.25"

Once a common sight in courtyards throughout rural China, this textured stone trough was filled with grain for chickens and other barnyard fowl. Chiseled from a block of stone over a century ago, the deeply weathered vessel has endless stories to tell. Recently drilled with a small hole for drainage on one side, the trough makes a wonderful planter, perfect for hens-and-chicks and other lush succulents.
