## SPRINGTIME COFFER

## \$4,280

c. 1900 • Mongolia • Northern Elmwood • Collection #BJFF077 W: 67.0" D: 18.0" H: 33.5"

Strong chiseled molding anchors this coffer's delightful asymmetry. Five staggered drawers sit side by side next to a flat-front cabinet, painted as a tribute to springtime with flowering lotus and verdant greenery. Made in Mongolia around 1900, the northern elmwood coffer has developed a beautifully rich patina that only time can yield.
