## PAGODA RED

## **ETCHED LIMESTONE TROUGH**

## \$4,380

c. 1800 • Shanxi, China • Limestone • Collection #W076D W: 47.0" D: 21.0" H: 11.0"

Prized mounts once took refreshment from this stone trough, carved from a solid block of limestone more than hundred years ago. Once purely functional, the trough is celebrated today for its elegant, simple form and rustic authenticity. A wonderful addition to the garden, the trough can be filled with lush greenery or striking floral arrangements.
