## FOREVER CLOUD GARDEN SEAT

**\$1,280**

Jiangxi, China • Ceramic • Collection #BJEE004

H: 21.0" Dia: 21.75"

This ceramic garden stool was glazed by hand in China's Jiangxi province, and is a modern interpretation of a classic design. The rich, mottled white glaze enhances the elegance of the stool's pierced form, and the interlocking circles on its side are a traditional motif in Chinese art, resembling coins and symbolizing prosperity. Ceramic stools were once fixtures in Qing-dynasty gardens, a perfect place to rest while meandering along a garden path.
