TRAILING VINE STONE DRUM

\$4,180

Shanxi, China • Limestone • Collection #BJFF173C

H: 17.5" Dia: 17.0"

Made in Shanxi province, this venerable drum stone was hand carved with a trailing vine motif and an auspicious “fu” character representing prosperity. Polishing brings out the intricate relief carving and smoothes the top, making the drum a lovely option for a side table or outdoor stool.
