TWELVE DRAWER CHEST

\$3,980

c. 1900 • Shanxi, China • Northern Elmwood • Collection #BJFF020

W: 55.25" D: 17.75" H: 33.25"

This twelve drawer mortise and tenon construction chest is a classic Qing Dynasty design, handcrafted in Shanxi Province out of Elmwood. The clean lines and simple, handcrafted hardware are strikingly modern. It was used for storage in a woman's sleeping quarters, filled with silks, curios, and other personal items. With all its compartments, the coffer would play well today as a sideboard or credenza.
