TWO DOOR NOODLE CABINET

\$8,800

c. 1850 • Shanxi, China • Northern Elmwood • Collection #X076

W: 58.25" D: 23.0" H: 91.0"

This striking cabinet made in Shanxi province around 1850 takes its name from the elegant rounded wood detail that outlines its doors and frame. Austere in its simplicity, the cabinet showcases the grain and beautiful brown color of Chinese elmwood, simply accented with brass hardware. Simple and strikingly modern, the cabinet would easily blend into traditional and contemporary rooms as an armoire or storage piece.
