BAI PEAR VASE

\$680

Zhejiang, China • Porcelain • Collection #BJEE129

H: 20.25" Dia: 11.0"

The striking monochrome white of this porcelain vase draws on a long Chinese tradition of ceramics glazed in a single, statement-making color. The gracefully curved form of this vase is known as a "yuhuchunping" or pear-shaped vase and is defined by its rounded body, narrow neck, and flared mouth originally used for pouring wine.
